

ALL-PURPOSE CLEANER

3 cups hot water

1 tsp. super washing soda

2 Tbsp. vegetable-based liquid soap

1 spray bottle

A few drops essential oil (optional)

Add water and soda to a spray bottle and shake. Add soap and mix gently. Spray and wipe clean. Good for countertops, floors, walls, woodwork, appliances, etc.

SAFER SCRUBBER

½ cup hot water

~1⅔ cup baking soda

½ cup vegetable-based liquid soap

1 quart-size jar with screw-top lid

A few drops essential oil (optional)

In an airtight, screw-top container, add water and soap. Stir in baking soda until mixture forms a paste. Good for sinks, tubs, showers, etc.
