
ALL PURPOSE CLEANER

- 3 cups hot water
 - 1 tsp super washing soda
 - 2 tblsp cleaning vinegar
 - 2 tblsp vegetable-based liquid soap
 - 1 spray bottle
- optional / a few drops essential oil*

Add water, soda and vinegar to a spray bottle and shake. Add soap and mix gently. Spray and wipe clean.

Good for counter tops, floors, walls, woodwork, appliances, etc.

SAFER SCRUBBER

- ½ cup water
- 1⅔ cup baking soda
- ½ cup vegetable-based liquid soap
- 2 tblsp cleaning vinegar
- 1 quart size jar with screw-top lid
optional / a few drops essential oil

In an airtight, screw-top container, add water and ⅔ cup of baking soda. Add soap and stir. Add vinegar. Stir in remaining baking soda until mixture forms a paste.

Good for sinks, tubs, showers, etc.
